STATINTL

Lest contact with contractor established time of complete fabrication of instrument between 15 October 1963 and 1 November 1963. On 5 November fabrication completion would take at least 1 additional week.

STATOTHR and additional review should be made in a period of two weeks. Scheduled trip dates are 18, 19 November. Of instrument has been completed; (2) to determine if fabrication and check-out to our satisfaction and the right approach to the research is being pursued.
